BUREAU CIRCULAR NO. A-55

To All Members of the Bureau:

Re: **2008 PREMIUM CALL**

By instruction of the Governing Board, you are requested to furnish the information called for on the accompanying sheet not later than **March 16, 2009**. This call is for premium by individual company. Do not report on a group basis.

Please note carefully the definitions of "direct premiums written for Bureau assessment," as adopted by both the Pennsylvania and Delaware Governing Boards. Note particularly that all premiums on Pennsylvania coal mining operations and all premiums on excess coverage, national defense project coverages, and USL&HW in both states are to be excluded.

The premium call form can be found on the Bureau website at www.pcrb.com. However, the form must be completed and returned to the Bureau in hard copy form.

Please include a copy of the Exhibit of Premiums and Losses (Statutory Page 14) from your December 31, 2008 Annual Statement with the completed premium call.

Also included this year is a page requesting that you identify all carriers, including your own (together with NAIC numbers), that are part of your group or insurance company holding system. This is to assist the Bureau in various endeavors requiring combination of individual carrier data into group reports.
