RE: Corporate Officer Weekly Minimum & Maximum Payrolls to be Audited in Delaware and Weekly Minimum and Maximum Payrolls For Sole Proprietors Or Partners

The DCRB proposes a revision to the corporate officer weekly minimum and maximum payrolls to be audited for premium purposes in Delaware, which are also used as a sole proprietor's or a partner's auditable payroll when the proprietor's or partner's payroll cannot be determined. The corporate officer weekly minimum and maximum auditable payrolls are a function of the statewide average weekly wage rounded to the nearest \$50. The revisions proposed below were calculated using formulas as reviewed and adopted by the Classification and Rating Committee in 1982. The DCRB recommends that the proposed revision to the weekly maximum auditable corporate officer payroll become effective concurrent with the implementation of the DCRB's 2011 comprehensive residual market rate and voluntary market loss cost revision.

Below find the proposed revisions to the weekly minimum and maximum corporate officer payrolls for Section 1, Rule IX, Paragraph A. 5., "Premium Determination."
