

DELAWARE COMPENSATION RATING BUREAU, INC.

Loss Development Triangles – Limited Losses

Pages 1 through 3 of this exhibit display indemnity triangles for incurred and paid loss development factors and the ratios of incurred to paid losses. Reported indemnity losses are not adjusted as there are no reforms impacting these losses.

Pages 4 through 6 of this exhibit display medical triangles on a post-House Bill 373 basis for incurred and paid loss development factors and the ratios of incurred to paid losses.

The number of diagonals shown in this exhibit are limited due to the change from a pre-Senate Bill 1 basis to a post-House Bill 373 basis in the rate and loss cost filing effective December 1, 2017.
