DCRB CIRCULAR NO. A-43

To All Members of the DCRB:

The following copy of the 2021 audited financial statements of the DCRB is provided for your information. Also following is information pertaining to the adjustment of assessment for the year 2021. This adjustment produces a net refund of \$240,577 to all members combined and is derived from the DCRB's financial results for the year 2021 only. Derivation of this additional assessment is shown on the exhibits titled "Income and Expenses 2021." Member carrier detail of this adjustment of assessment is also attached.

Questions concerning this information should be addressed to John Zimitski, Vice President - Finance, at (215) 320-4414. Feel free to reproduce these statements as necessary or contact the DCRB for additional copies.

INDEPENDENT AUDITORS' REPORT

To the Governing Board Delaware Compensation Rating Bureau, Inc. Philadelphia, Pennsylvania

Opinion

We have audited the accompanying financial statements of Delaware Compensation Rating Bureau, Inc. ("DCRB") (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities without donor restrictions and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of DCRB as of December 31, 2021 and 2020, and the changes in its net assets without donor restrictions and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DCRB and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DCRB's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of DCRB's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DCRB's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 - Nature of Business

Delaware Compensation Rating Bureau, Inc. ("DCRB") (a nonprofit corporation) provides services to insurers underwriting workers compensation coverage within Delaware. DCRB also provides services and information to a broad variety of non-member constituencies including the Delaware Department of Insurance, the Delaware Industrial Accident Board, employers, insurance agents and brokers.

NOTE 2 - Summary of Significant Accounting Policies

<u>Cash and Cash Equivalents</u> - For purposes of financial statements presentation, DCRB considers all highly liquid debt instruments maturing within three months or less to be cash equivalents.

Accounts Receivable - DCRB carries its accounts receivable at the amount management expects to collect from outstanding balances. DCRB records an allowance for doubtful accounts to provide for credit losses inherent in the receivables by evaluating the individual customer receivables and considering the customer's credit history and current economic conditions. An allowance for doubtful accounts as of December 31, 2021 and 2020 was not necessary since customer balances were deemed fully collectible as of those dates.

Investment in CDX, LLC - DCRB has an investment in Compensation Data Exchange, LLC, ("CDX, LLC") a Minnesota Limited Liability Company. CDX, LLC is an internet based services company that facilitates the electronic transmission of workers compensation data between member insurers and data collection organizations in participating states. The investment is valued using the cost method of accounting since DCRB only has a 5.6% membership interest. Cost was not impaired at December 31, 2021 or 2020.

Assessments Due from/Refundable to Members - Under the terms of DCRB's by-laws, the balance of net revenues assessed or expenditures paid by DCRB (after deducting membership fees, increases in net assets without donor restrictions, and all other income) is refundable to, or due from, members according to their respective proportion of applicable total net written insurance premiums for the calendar year during which revenues have been earned and expenditures have been paid. The amounts reflected as assessments refundable to and from members in the accompanying statements of financial position reflects the adjustment of assessments based upon actual net premiums written and expenditures paid.

<u>Due from (to) PCRB</u> - Pennsylvania Compensation Rating Bureau ("PCRB") provides services which enables DCRB to carry out its principal functions. DCRB accounts for receivables from or payable to PCRB at the costs of those services less amounts remitted.

<u>Functional Allocation of Expenses</u> - The costs of providing program and supporting services have been summarized on a functional basis in the statements of activities and changes in net assets without donor restrictions. Direct expenses are charged directly to the program and supporting service benefited.

Income Tax Status - DCRB is a nonprofit corporation that is exempt from income taxes under Section 501(c)(6) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

DCRB recognizes interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expenses. No such interest or penalties were recognized in 2021 or 2020.

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Income Tax Status (Continued) - DCRB's Form 990, Return of Organization Exempt from Income Tax for the years ended 2018 through 2021 remain subject to examination by the Internal Revenue Service.

Revenue Recognition - The organization's primary sources of revenue are from quarterly assessments and membership fees. Revenue is recognized ratably over membership terms and as services are rendered to its members, for an amount that reflects the consideration the organization expects to be entitled to in exchange for the assessments and memberships.

Disaggregation of Revenue from Contracts with Customers

Revenue from performance obligations satisfied over time consist of assessments, membership fees and services provided to the organization's members. As a result, the organization is dependent on the strength of its membership and its ability to collect amounts owed on contracts.

Performance Obligations and Significant Judgements

<u>Assessments</u>: Quarterly provisional assessments of member companies for budgeted expenses of DCRB are the primary source of revenue. The assessments are levied pro rata upon members according to their respective proportions of the total Delaware workers compensation premiums written in the prior year. Assessments made each year are adjusted at the end of the year according to actual DCRB expenses and insurer premium writings during the assessment year. Assessments are not recognized as revenues until revenue is earned, which is when services are provided, and the organization does not believe it is required to provide additional activities or services.

<u>Membership Fees Revenue</u>: DCRB assesses membership fees to its members on an annual basis. Revenue from contracts with members for annual dues is reported at the amount that reflects the consideration to which the organization expects to be entitled in exchange for providing membership to its members. Revenue is recognized as performance obligations are satisfied, which is ratably over the membership term, which begins annually on January 1. Membership fees are nonrefundable. Generally, the organization bills members annually with the first quarter assessment.

The organization does not have any significant financing components as payment is received at or shortly after the beginning of membership periods (the year) or when services are provided.

Costs incurred to obtain a contract will be expensed as incurred when the amortization period is less than one year.

The organization recognizes a contract liability (deferred revenue) for quarterly assessments and membership fees received prior to completion of services or their terms, respectively. Upon completion of services or over the membership fee term, the contract liability is reversed and revenue is recognized.

The organization records allowances for expected uncollectible accounts, which is based on historical rates.

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 2 - Summary of Significant Accounting Policies (Continued)

<u>Use of Estimates</u> - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

<u>Concentration of Credit Risk</u> - DCRB maintains checking and money market accounts at various financial institutions. The accounts at these institutions are insured by the Federal Deposit Insurance Corporation. In the normal course of business, the balance of these accounts may exceed federally insured limits.

<u>Subsequent Events</u> - Subsequent events have been evaluated through September 15, 2022, the date that the financial statements were available to be issued.

On March 11, 2020, the World Health Organization declared the outbreak of a coronavirus (COVID-19) a pandemic. As a result, economic uncertainties have arisen which are likely to negatively impact operating activity. Other financial impact could occur though such potential impact is unknown at this time.

NOTE 3 - Liquidity and Availability

Financial assets available for general expenditure, that is without donor or other restrictions limiting their use, within one year of the statements of financial position date, comprise the following:

	2021	2020
Financial Assets at Year End		
Cash and Cash Equivalents	\$ 63,513	\$ 114,047
Accounts Receivable	136,339	24,168
Assessments Due from Members	240,577	66,714
Financial Assets Available to Meet General		
Expenditures Over the Next Twelve Months	\$ 440,429	\$ 204,929

As part of the DCRB's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures and other obligations come due.

NOTE 4 - Related Party Services

PCRB is a separate nonprofit corporation performing activities for the Commonwealth of Pennsylvania. PCRB assessed DCRB in 2021 and 2020 for its share of the cost of services provided to members based on the proportion of staff effort directed to Pennsylvania and Delaware issues for the year. An allocation is selected in advance of each calendar year based on management's estimate of staff efforts anticipated on an ongoing basis for the benefit of PCRB and DCRB, respectively. That allocation was 19.67% and 18.94% of PCRB expenses for 2021 and 2020, respectively.

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 4 - Related Party Services (Continued)

There was no information technology surcharge levied by PCRB for the year ended December 31, 2021. DCRB was assessed an \$87,250 surcharge for PCRB's technology fund for the year ended December 31, 2020.

NOTE 5 - Concentration of Credit Risk

Amounts due from three members represented approximately 34% of accounts receivable at December 31, 2021.

Amounts due from five members represented approximately 51% of accounts receivable at December 31, 2020.
