The handbook can be found on the WCIO web site at www.wcio.org.

This handbook was compiled as a joint venture between the Data Collection Organizations within the WCIO to help broaden your understanding of data reporting in the workers compensation industry.

If you have any questions or comments pertaining to the content of this handbook, please contact the appropriate DCO.

The WCIO Workers Compensation Data Reporting Handbook has been developed as a guide and reference for industry professionals. The WCIO makes no warranties of any kind with regard to the use of the handbook for any purpose. In no event shall the WCIO be liable or responsible for any damages arising out of, or in connection with, the use of the guidelines by any person or organization.

This handbook is not intended to be a comprehensive guide to the data reporting requirements or rules of each of the states. The handbook does not replace, rewrite, or change any jurisdictions' or states' statistical plans. WCIO encourages the use of this handbook in conjunction with the appropriate instructional manuals published by the various states.
