**BUREAU CIRCULAR NO. 763**

To All Members of the Bureau:

Re: **DECEMBER 1, 2002 "F"-CLASSIFICATION FILING**  
**BUREAU FILING NO. 0204**

Please be informed that the Bureau has submitted a rating value filing for Delaware "F"-Classifications with a proposed effective date of December 1, 2002. That filing, Bureau Filing No. 0204, proposes an overall increase of 13.33 percent in assigned risk rates and an overall increase of 4.42 in voluntary market loss costs. Tables of current and proposed December 1, 2002 rating values are provided with this circular for reference.

The United States Harborworkers' Compensation Coverage Percentage, currently 49.2 percent, is proposed to change to 44.6 percent effective December 1, 2002. The tax multiplier applicable to F-Classification business is proposed to change from 1.2403 to 1.2333.

Once Bureau Filing No. 0204 has been adjudicated by the Department of Insurance, each licensed Delaware carrier will be required to make a filing for a loss cost multiplier, rates and/or other related rating values with the Department of Insurance. This requirement will apply even if a carrier intends to retain its current pricing values and programs intact. Accordingly, in order to preserve the desired and possibly necessary flexibility in pricing Delaware workers compensation policies, it is strongly recommended that all policies issued with effective dates on and after December 1, 2002 be qualified as carrying tentative rates, using the Pending Rate Change Endorsement for this purpose. Any policies issued at current rates or on a "to-be-determined" basis for which approved rating values are changed as a result of Bureau Filing No. 0204 and/ or any subsequent carrier filing(s) must be endorsed subsequently with the new carrier rates.

The filing will be found in the "Filings" section of the web site ([www.dcrb.com](http://www.dcrb.com)) and is expected to be available within ten days of the publication of this circular.

Timothy L. Wisecarver  
President
