DCRB CIRCULAR NO. 982

To All Members of the DCRB:

RE: APPROVAL OF DCRB FILING NO. 2003
TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT OF 2019
ENDORSEMENTS
EFFECTIVE JANUARY 1, 2021

The Delaware Insurance Commissioner has approved DCRB Filing No. 2003 which reflects revisions to the Delaware Workers Compensation Manual of Rules, Classifications and Rating Values for Workers Compensation and for Employers Liability Insurance (Basic Manual). The revisions reflect updates to the Terrorism Risk Insurance Program Reauthorization Act (TRIPRA) endorsements. There are two previously approved endorsements being updated, and one approved endorsement being withdrawn. These revisions are effective 12:01 a.m., January 1, 2021 with respect to new and renewal policies.

These TRIPRA endorsement revisions are intended to maintain Delaware's standard workers compensation insurance policy language and forms in conformance with countrywide usage. The attached NCCI Item P-1417 filing memorandum reflects the following countrywide proposals:

WC 00 01 15, Notification Endorsement of Pending Law Change to Terrorism Risk Insurance Act of 2015 is withdrawn.

WC 00 04 21 D, Catastrophe (Other than Certified Acts of Terrorism) Premium Endorsement is proposed to be replaced by WC 00 04 21 E. The endorsement title remains the same. The endorsement has no language change only updated formatting.

WC 00 04 22 B, Terrorism Risk Insurance Program Reauthorization Disclosure Act is proposed to be replaced by WC 00 04 22 C. The endorsement dates are updated within the document and also includes a revised approach to the "Policy Disclosure" section.

As a part of this approval, Section 3 – Endorsements of the DCRB's Workers Compensation Manual of Rules, Classifications and Rating Values for Workers Compensation and Employers Liability Insurance (Basic Manual), will be updated to reflect the revised endorsement versions and the endorsement withdrawal at a later date.

For additional information, please refer to Filing No. 2003, posted under the "Filings" tab of the DCRB's website (<http://www.dcrb.com>). Please contact Delisa Fairley, Vice President – Underwriting Services at 215-320-4411 or at dfairley@dcrb.com for any questions regarding this Circular.

FILING MEMORANDUM

ITEM P-1417—TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT OF 2019 ENDORSEMENTS

PURPOSE

This item revises and withdraws endorsements in NCCI's *Forms Manual of Workers Compensation and Employers Liability Insurance (Forms Manual)* as a result of the recent enactment of the Terrorism Risk Insurance Program Reauthorization Act of 2019 (TRIPRA of 2019).

BACKGROUND

The Terrorism Risk Insurance Act of 2002 ("TRIA" or the "Act") was implemented as a result of the US Congress recognizing that terrorism is a catastrophe exposure that is real and significant for insurers of workers compensation and other lines of insurance. It initially provided a temporary program under which the federal government would share in the payment of insured losses caused by certain acts of terrorism. TRIA was scheduled to expire on December 31, 2005. It was renewed as the Terrorism Risk Insurance Extension Act (TRIEA) in 2005, and as the Terrorism Risk Insurance Program Reauthorization Act (TRIPRA) in 2007 and 2015. NCCI filed several national item filings that proposed the necessary miscellaneous values, rules, and policy forms to implement the original TRIA and each of its renewals.

Recognizing that terrorism continues to be a catastrophe exposure, the US Congress enacted TRIPRA of 2019 on December 20, 2019. The Act was extended for seven years and will expire on December 31, 2027.

The current 80% federal share of compensation under the Terrorism Insurance Program (Program) will continue to apply to aggregate industry insured losses occurring in any calendar year that exceed \$200,000,000.

PROPOSAL

To implement the changes as a result of the enactment of TRIPRA of 2019, this item proposes the following revisions to NCCI's *Forms Manual*:

1. The Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement (WC 00 04 22 B) must be revised to:
 - Update the TRIPRA references to TRIPRA of 2019
 - Revise the Program trigger amounts and the federal share of compensation provisions
 - Make minor grammatical revisions
2. The Catastrophe (Other Than Certified Acts of Terrorism) Premium Endorsement (WC 00 04 21 D) must be revised to:
 - Update the endorsement number reference of the Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement
 - Make minor grammatical revisions
3. The Notification Endorsement of Pending Law Change to Terrorism Risk Insurance Program Reauthorization Act of 2015 (WC 00 01 15) must be withdrawn. The purpose of this endorsement is to notify policyholders of the impending expiration of TRIPRA. However, with the enactment of TRIPRA of 2019, this endorsement is no longer needed.

Reauthorization Act of 2015 (WC 00 04 15)**

This endorsement is being attached to your workers compensation and employers liability insurance policy. This endorsement does not replace the separate Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement (WC 00 04 22 B) that is attached to your current policy and which remains in effect as applicable.

The Terrorism Risk Insurance Act of 2002 (TRIA), as previously amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2015 (TRIPRA 2015), provides for a program under which the federal government will share in the payment of insured losses caused by certain acts of terrorism. In the absence of affirmative US Congressional action to extend, update, or otherwise reauthorize TRIPRA 2015, in whole or in part, TRIPRA 2015 is scheduled to expire on December 31, 2020.

Since the timetable for any further Congressional action regarding TRIPRA 2015 is presently unknown, and exposure to acts of terrorism remains, we are providing policyholders with relevant information concerning their workers compensation policies in the event of the TRIPRA 2015's expiration.

Your policy provides coverage for workers compensation losses caused by acts of terrorism, including workers compensation benefit obligations dictated by state law, except in Pennsylvania, where injuries or deaths resulting from certain war-related activities are excluded from workers compensation coverage. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy.

The premium charge for the coverage that your policy provides for terrorism losses is shown in Item 4 of the policy information Page or the Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement (WC 00 04 22 B) Schedule that is attached to your policy. This amount may continue or change for new, renewal, and in-force policies in effect on or after December 31, 2020, in the event of TRIPRA 2015's expiration, subject to regulatory review in accordance with applicable state law.

You need not do anything further at this time.

**NOTIFICATION ENDORSEMENT OF PENDING LAW CHANGE TO TERRORISM RISK INSURANCE PROGRAM
REAUTHORIZATION ACT OF 2015**

This endorsement is being attached to your workers compensation and employers liability insurance policy. This endorsement does not replace the separate Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement (WC 00-04-22-B) that is attached to your current policy and which remains in effect as applicable.

The Terrorism Risk Insurance Act of 2002 (TRIA), as previously amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2015 (TRIPRA 2015), provides for a program under which the federal government will share in the payment of insured losses caused by certain acts of terrorism. In the absence of affirmative US Congressional action to extend, update, or otherwise reauthorize TRIPRA 2015, in whole or in part, TRIPRA 2015 is scheduled to expire on December 31, 2020.

Since the timetable for any further Congressional action regarding TRIPRA 2015 is presently unknown, and exposure to acts of terrorism remains, we are providing policyholders with relevant information concerning their workers compensation policies in the event of the TRIPRA 2015's expiration.

Your policy provides coverage for workers compensation losses caused by acts of terrorism, including workers compensation benefit obligations dictated by state law, except in Pennsylvania, where injuries or deaths resulting from certain war-related activities are excluded from workers compensation coverage. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy.

The premium charge for the coverage that your policy provides for terrorism losses is shown in Item 4 of the policy Information Page or the Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement (WC 00-04-22-B) Schedule that is attached to your policy. This amount may continue or change for new, renewal, and in-force policies in effect on or after December 31, 2020, in the event of TRIPRA 2015's expiration, subject to regulatory review in accordance with applicable state law.

You need not do anything further at this time.

This endorsement changes the policy to which it is attached and is effective on the date issued unless otherwise stated.
