Re: Manual Revisions to Section I

The Bureau proposes a revision to the domestic and casual labor payrolls for compulsory coverage purposes due to an amendment to Section 2307 of the Delaware Workers' Compensation Act.

The proposed changes are shown below:

Section I

Rule II –EXPLANATION OF COVERAGES AND METHOD OF INSURING

B. Coverage Requirements

1. Compulsory as to all employments:

Exceptions: Farm Labor; domestic servants, casual workers earning less than ~~[\$300.00]~~ \$750.00 in three months from one household. Elective as to state and certain counties, cities and towns. Refer to Sections 2307 and 2309 of the Delaware Workers Compensation Law.

The Bureau recommends this change to be concurrent with the implementation of the Bureau's 2004 residual market rate and voluntary market loss cost revision.
