In accordance with the approved statistical program, you are requested to file with the Bureaus on or before March 15, 2023 in Delaware and April 17, 2023 in Pennsylvania, your compensation experience by policy year valued as of December 31, 2022. **Data reported in this Call is subject to the Financial Data Incentive Program (FDIP) and must be submitted using the Financial Data Manager (FDM).**

We are asking for detailed claim data on any claim for which the sum of the accumulated total paid losses and total case reserve valued as of December 31, 2021 and/or December 31, 2022 exceeds \$250,000 in Delaware or \$500,000 in Pennsylvania, in any of the policy periods from prior to 1991 to 2021. For each such claim, you must provide the Bureaus with data for both the December 31, 2021 and the December 31, 2022 valuations regardless of whether one of the two evaluations falls below the threshold.

Claim numbers should be consistent across all data sets reported to the Bureaus (ex. financial data calls, unit statistical reports, medical data calls and indemnity data calls) to help facilitate data comparison and reconciliation analysis.

Losses are to be reported on a gross basis, i.e., prior to any reduction for reimbursable deductibles. Please indicate the amount of the deductible, if applicable, in Column 11.

**Column 12 indicates the type of coverage. Please use the following coverage codes:**

- (2) Losses under "F" Classification
- (3) Losses under Large Deductible Policies (Deductible amount must be indicated)

Please report amounts of premiums and losses in WHOLE DOLLARS ONLY. FDM will not allow cents to be entered onto the form.
